The Clark Flyer June 2007

Well here we are at the half way point of this year. Time sure fly's by when we are having fun.

Larry Tate stated that he did not have a scale contest as there were not enough flyers. I have to admit that I am guilty as I have a baseball commitment from March until June and I was not at the contest. I understand that other members also have commitments; however as a club we need to support these contests. Larry has one scheduled for September so let's all be there. They are a lot of fun.

The Pearson Air Museum has a summer camp for kids happening in July. We have been asked to conduct a ground school and help to get as many of the camp participants in the air. We have 5 members that are going to help. The field will be closed on July 12 to open flying as we will be giving training flights all day.

Well guys and gals, be safe and see you at the field. Dave

Meeting Minutes June 13th, 2007

Meeting called to order by President Dave agar at 7:30.

Guests at the meeting were:

Ken + Ryan Budnik

Ken Bohna

Bill Schweers

President Dave gave a treasures report as Steve was not at the meeting and had given Dave the details. In the bank we have \$3,995.57. Steve has purchased 3 CD's with a 5 month, 10 month and a 15 month life span. We still owe the Fairgrounds \$1176.00 for our annual rent. Steve will pay this by the end of the week.

Larry Tate gave a report on the scale meet. It did not happen as there were too few flyers. The September contest is still a go.

Larry Tate and Jerry Holcomb gave a report on radio hits at the field. Larry has the District 11 frequency checker and reports that it is not showing any activity at all. The portable scanners are showing some interference, however the AMA scanner is not. Jerry will check with the AMA and see if there is another checker that can provide more detail. If you have a suspected hit, please leave details on the club web site forum section.

The fly in camp at Pearson airfield is a go with 5 volunteers. Larry Tate, Dick Teason, Ed Wiese, Gregory and Dave Agar will help the kids with ground school and flying. Our field will be closed to open flying on July 12 as there will be about 25 kids on a buddy box.

John Shirron gave a report on having an Expo. He has contacted AMA, the local Hobby Shops and some of the other local clubs in Portland. He has received commitments of support and the membership gave him a vote of support to continue on with planning of this event.

June Raffle:
Phoenix Models Dolphin ARF
Won by Dave Perry

Dave Perry won the raffle again!!!

John Harshman won the criers raffle however he was not in attendance so the money rolls over.

Jerry Holcomb brought a tail boom that he is building for a 1913 Berel.

Meeting was adjourned at 8:30

Directions:

Exit 9 from I-5 (Battle Ground Fairground exit) Head west to 2nd Ave. There are two ways to get to the field. Spectators and club members can use the Amphitheater entrance (open from 8 AM. until 9 PM. most days).

If locked club members can use the club entrance off of 2nd Ave. You must be a member and know the combination of the lock!

Fern Prairie Modelers Field the
Camas/ Washougal
Industrial Area

Directions

Head East on Hwy 14
turn right on 32nd Street
Turn Left on Truman Rd
Follow to the end
Fly Warbirds, Have Fun!

You are invited to bring your scale model, of a military aircraft, and join in the fun! This annual event is sponsored by Fern Prairie Modelers of Camas, WA, and is located 10 miles east of 205, off highway 14 in the Camas-Washougal industrial area.

All military aircraft are eligible. Every flight gets you an extra chance for the Grand prize of \$50, 2nd \$30, and 3rd \$20 CASH! Have more than one war bird? Bring em' all, for a relaxed fly-in atmosphere. Fly when you want, as many times as you want. Static aircraft and hangar queens are welcome! You must fly, to receive your chance for the cash prize; each flight earns you a better chance to win! No entry fee! Bring your unfinished project for show and tell! Precision, Sport, Fun, Standoff, and even Squint Scale are all welcome! Open flying after 2:00PM.

Questions? Email me at artpam@comcast.net, info and directions can be found at <http://www.fpmc.org>
